## Representing “11” Counties of Federated Republican Women Clubs

### PRESIDENT’S MESSAGE

On March 1, we will have the first of two very important elections of 2016. This one will be the Texas Primary held in your Precinct. Also on that day is your Precinct Convention held at 7:00p.m. after the close of the election on election day, presided over by your Precinct Chair. Please, please vote in this election and go back to participate in your Precinct Convention volunteering to be a delegate to the Senatorial District Convention for your District. If you are elected at the SD Convention as a delegate to go to the State Convention in May, you can play a role in the grassroots effort for our state. This year the Senatorial Convention will be held March 19 in a special location for your District. If you do not know where it will be held, contact your SD Director for your location. This is an important election year and if we want to elect the best candidate, we must put forth our best efforts.

We had such a good meeting in January installing your new board for 2016 and honoring the new Member Club Presidents for 2016. There was a lot of participation as our enthusiastic Presidents told the group what they have coming up in their clubs. WOW, you ladies are active already and the year is just beginning. Keep up the good work and let us know how Greater Houston Council can support you and your clubs. Come to each meeting prepared to tell us what you have planned in your clubs.

After the March 1 election we will be starting our President’s lunches when we will meet for lunch to share ideas with each other and let me know what you need from Council. Keep watch for an email to come about that.

Don’t forget to join us March 22, for the workshop Barbara Tague is putting together for us to inform and educate us about Terrorism today. She has invited top officials in this field to be here to speak to us on this topic. This meeting will be held in the Ballroom at Kim Son in downtown Houston and include lunch. A fun day for all of us.

Just what is Open Carry?

The Open Carry law allows concealed handgun license (CHL) holders the option to openly carry a handgun in a public place if the handgun is carried in a shoulder or belt holster. Open carry in Texas became legal on January 1, 2016. Texas joins 44 other states that already allow open carry. While the transition to the new law has been relatively smooth, it is likely that further attorney general opinions, legislation and lawsuits will clarify and/or improve the law. Here are some quick facts about the new

## **Montgomery County RW**

The Montgomery County Republican Women recently made blankets to be given to the Salvation Army for use by the homeless in the area. In addition, the club sponsored a 6 week Constitution class taught by a professor from Lone Star College.

MCRW also is providing a coffee spot at the new Veteran's Clinic in Conroe. Coffee will be available for our veterans as they wait for medical care. We had plumbing installed and purchased the coffee pots and will be purchasing coffee and supplies as needed.

Our speaker for our January meeting was Tom Mechler, Chairman of the Republican Party of Texas. He presented an informative program on his views about the upcoming Presidential election.

The club is sponsoring a Candidates' Forum for candidates in Montgomery County. In addition welcome brunch for new and prospective members is planned for February 17.

law:

Private business owners may prohibit handguns on their property by posting the proper notice. The requirements for proper signage must do the following:

- Include the following text in English and in Spanish: "Pursuant to Section 30.07, Penal Code (trespass by license holder with an openly carried handgun), a person licensed under Subchapter H, Chapter 411, Government Code (handgun licensing law), may not enter this property with a handgun that is carried openly."
- Appear in contrasting colors with block letters at least one inch in height; and,
- Be displayed in a conspicuous manner clearly visible to the public at each entrance to the property.

A private business owner has the right to tell someone to leave their business if they are carrying a weapon whether or not they have the proper signage.

A police officer has the right to ask for proof that someone has a CHL and can therefore open carry.
