Ready for the Battles Ahead! GOTV August 23 Rally

**Tina Gibson, GHCFRW
President**

Dear GHC Family,

What a summer to celebrate!

Republican Women never rest and the fruits of our labor have come to fruition this summer.

The SCOTUS ruling on states' decision on Pro Life issues is a major victory and Republican women have been on the front lines in the battle. The war will never be over because we have a nation to save for our children and

grandchildren. We are ready for the battles ahead!

Republican Women came out in force at the RPT State Convention in setting the state platform for the next 2 years. It was great to see so many of our club members in leadership roles. Send us photos of your clubs at the convention for our next newsletter!

As we continue to celebrate our legacy in our 60th Anniversary year, GHC clubs will move forward as leaders, mentors and example setters throughout the Southeast Texas region. Keep growing your club membership this summer. Keep your members informed and involved. It's block walking and phone calling time to support our candidates. Sign up for a Poll Watcher training class. The time is now to do whatever it takes to get our Republicans elected.

Please notify me of any GOTV events your clubs will be involved with or hosting this summer and fall. GHC will be there to support you.

Beverly Stricker

We asked Beverly Stricker to tell us a little about the origins of the recently federated Needville Republican Women's Club. In response, she was kind enough to provide us with a rather detailed discussion of the motivations and planning behind the effort. We found the response so compelling and inspirational — and Beverly's voice so strong — that we are running it so others can share. It's only very lightly edited. Enjoy this motivating story. The Editor.

Beverly Stricker

I first moved to Fort Bend County area in 1979. I then moved to the Brazoria County in 2001, and this is where I began my involvement in politics.

In 2007, I joined the Angleton Republican Women PAC. It was an endeavor I had always wanted to pursue, but earlier in my life, time did not allow it.

I was trained by Chairwoman *Yvonne Dewey*, Precinct Chair *Mary Kathrine Pickle*, and Precinct Chair *Anita Barges*. My list of mentors grew from there. A few I must mention include *Edee Sinclair*, *Tina Gibson*, *Debbie Roan*, *Sherri Peterson*, and *Roxanne Lewis*.

During my 10 years with the ARW PAC, I was voted Woman of the year and inducted into the Brazoria County Republican Hall of Honor in 2017. I attended my first GOP State convention as a worker with ARW and then became a delegate for state convention. I have also worked every election since then either as a Clerk or Judge. I have validated mail in ballots, tested voting machines and served on numerous committees.

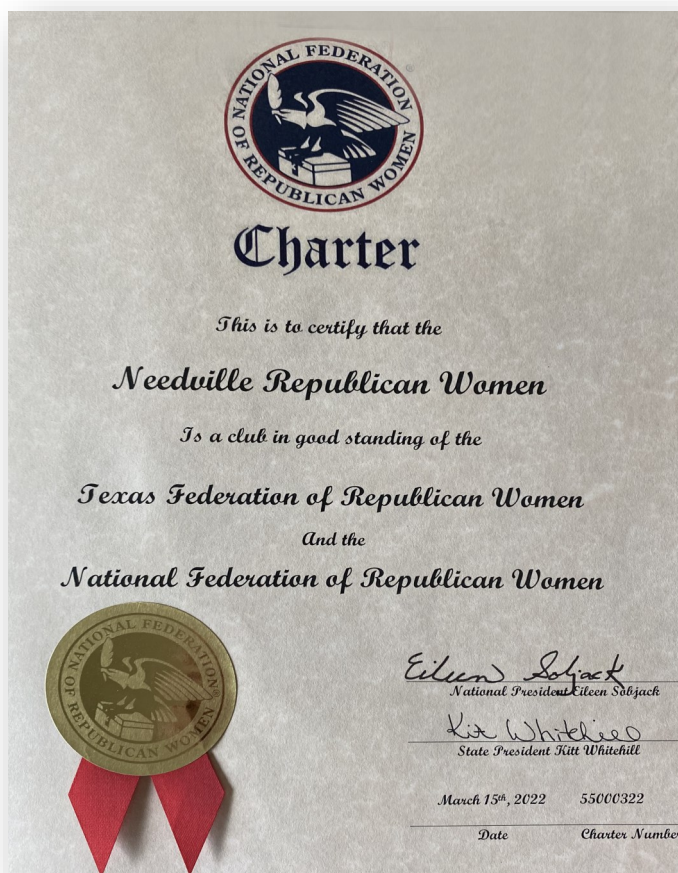

I moved back to Fort Bend County in 2019 and was not happy with the direction Fort Bend county was headed.

At that point, I remembered something my husband said, "You need to start a club here in Needville."

After speaking with *Debbi Roan*, she suggested I meet *Amy Mudy*, *Zenia Warren*, and *Debra Harpar*.

Genesis of Needville Republican Women cont'd.

I placed an ad in our local Needville paper at my own expense looking for anyone with a conservative heart and mind, interested in keeping Needville red.

The ad invited interested women to attend a meeting at my home and suggested wearing a red shirt.

To my surprise, Keisha Whitbey showed up three days early to introduce herself and to determine for herself just what the meeting would be about.

When she left almost in tears, she said, "I will be here to join on Saturday, and I am so thankful for what you are doing."

At that point, I knew five ladies who would join, but I needed five more in order to create a PAC. So, I was anxious to see what the ad might yield in terms of interested and committed conservatives.

Luckily, five ladies I had never meet before showed up to the meeting! The Needville Republican Women's PAC was formed.

We meet the 1st Saturday of every month.

Eager to get involved with our community, we joined the Chamber of Commerce and the American Legion Club to offer to help when needed.

Our club members started attending any and all functions that would allow us in to promote our club and to get out and vote!

We attended events such as Needville's City Trunk & Treat for Halloween, the Fall Harvest Festival, and just about every fundraiser in the City of Needville.

Our club also supports The Fort Bend County Women's Shelter and Needville's SPJST Nursing Home during the holidays.

A funny and instructive story occurred after our first meeting when no one had the confidence to be an officer for our club.

I watched, listened and observed the ladies, and by the end of our second meeting I asked again and still, no hands raised.

I announced I was going to make suggestions, and that I would help them every step of the way. The same ladies who were hesitant to raise their hands attended the GHCFRW Nuts 'N Bolts for training and loved it! Six of the ladies are attending their first State GOP Convention as Delicates.

We are 24 members strong! Our goal is to inform and educate the voters in our community, while being active participants in the needs of our community.

The following is a collage of our members.

Chambers County RW Spearheads “The Wall That Heals” — Significant & Important Community Project.

Spearheaded by the Chambers County Republican Women and in partnership with the History Heals Foundation, *The Wall That Heals* will open in White Memorial Park, Chambers County October 27 and will be open continuously through Sunday, October 30 at 2:00 pm.

The Wall That Heals is a replica of the Vietnam Veterans Memorial in Washington. It is a three-quarter scale replica of the Vietnam Veterans Memorial in Washington, DC and is 375' in length and 7.5' high at its tallest point.

Comfort and Healing

The Wall That Heals was unveiled on Veterans Day 1996. Designed to travel to communities in the United States, organizers hoped that “bringing *The Wall* home to communities throughout our country allows the souls enshrined on the Memorial to exist once more among family and friends in the peace and comfort of familiar surroundings. The traveling exhibit provides thousands of veterans who have been unable to cope with the prospect of facing *The Wall* to find the strength and courage to do so within their own communities, thus allowing the healing process to begin.”

Twenty-six years after its creation, *The Wall That Heals* continues to meet this objective as well as informing and educating younger generations about the sacrifices of the more than three million Americans who served in the Vietnam War including 58,000 who lost their lives and the more than 304,000 who were wounded and/or disabled. Since its dedication, it has traveled to 700 communities across the United States.

Loretta Emmons

“Proud doesn’t even begin to describe the way we feel,” said Loretta Emmons, Executive Director of the History Heals Foundation, Co-Chair for The Wall That Heals - Chambers County and President of Chambers County Republican Women. “Visiting The Vietnam Veterans Memorial is out of reach for so many people, but this October we will bring that experience to Chambers County and allow people to interact with this powerful memorial in their own back yard.”

Emmons said the project started out in an entirely different direction. “But *The Wall That Heals* can only travel to so many communities each year,” she said. Chambers County is one of only 29 communities in the nation that will have the honor of hosting *The Wall* in 2022. San Antonio is the only other Texas Community who will host *The Wall* this year.”

Mobile Education Center Honoring Local Heroes

To supplement the experience of *The Wall That Heals*, the 53-foot trailer that carries The Wall transforms to a mobile educational center providing visitors with additional information about the war. Importantly, the center also creates two important displays. The first, *Hometown Heroes*, are photos of service members who list the local area as their home of record. The second, called *The In Memory Honor Roll*, is a display of photos of local service members who returned from the war and later died. See image on the left for contact in-

WAS YOUR VIETNAM VETERAN'S LIFE CUT SHORT AFTER THEY RETURNED HOME?

HONOR THEIR SACRIFICE THROUGH THE **IN MEMORY** PROGRAM

Since the Vietnam War ended, thousands of Vietnam veterans have died each year due to Agent Orange exposure, PTSD/suicide, cancer and other causes related to their service. The Vietnam Veterans Memorial Fund's In Memory program honors those who returned home from Vietnam and later died.

**The Wall That Heals will be on display in
Anahuac, TX from October 27th - October 30th.**

Apply to honor your veteran, through In Memory, by September 27th and their photo will be included as part of the mobile Education Center display when The Wall That Heals is on display in Anahuac.

Call for Volunteers

Emmons stressed that the October hosting of *The Wall That Heals* will require hundreds of volunteers.

“This has quickly evolved into a community-wide effort to honor the men and women who have sacrificed so much for our country during the Vietnam Era in this country. We will need hundreds of volunteers to make this event a success and we are calling on our whole community to make it happen. We formed a non-profit organization and are working closely with all of the veteran organizations in the surrounding communities to make sure that the surviving veterans from Vietnam are given the ‘Welcome Home’ that they never received when they returned from the war,” she said.

Contact Loretta Emmons at lomike98@sbcglobal.net if your organization is interested in learning more about this very important project.

Mini Nuts 'N Bolts

TREASURER'S 10 MINUTE TIPS

By

Micheline Hutson

Editor's Note: the following is part of an occasional series of Nuts 'N Bolts tips and advice generously provided by GHCFRW professionals.

Donations are not sales taxable. Sell your items for a donation. Report the donations to the Texas Ethics Commission.

Don't fear the Texas Ethics Commission. If you have many donations, investigate uploading an Excel .csv file. The TEC website has a downloadable sample format that is great for copy and paste. The commission support staff is ready to help you with the format.

Remember to file IRS Form 8871 when officers change. This secures your status as a 527 organization. If the IRS sends you a letter asking why you haven't filed Form 990, just return the inquiry with the "we are exempt" option checked. We are exempt from filing Form 990 because we are a political organization which reports to the Texas Ethics Commission.

Love your software! Only very small clubs are able to keep the books on paper. Some accounting programs allow you to scan in your receipts. This helps cut down on the paper chase. Keep copies of approved budgets and meeting minutes which authorize your expenditures.

If your meeting place does not charge a fee, that is an in-kind contribution. If you must meet a minimum at your meeting place, individual charges are reportable as in-kind contributions. If your club pays an invoice from your meeting place, that is an expense.

Stay Current. Stay Current. Stay Current. January 10 and July 10 are not the dates to begin. Remember if your club sponsors a candidate forum or event or distributes contributions to candidates, you must follow 30day/10day before the election day schedule instead of the semi-annual schedule. Don't miss a deadline. If you miss a deadline, write a sincere letter begging forgiveness. Plead something other than ignorance. Hopefully, you'll get a nasty letter and not a fine.

Share audit findings. Every January, have your audit committee meet and present the findings to the club membership. The form is on the TFRW website. The meeting should not be longer than 30 minutes unless you meet over drinks!

Finally, it's very helpful to have a permanent commercial address rather than an officer's home address for reporting purposes. Club bylaws or standing rules may have to be changed to do this.

CCRW Support for Galveston GOP

Roxann Lewis, president of Clear Creek Republican Women and GHCFRW Hospitality co-chair, sent along a description of the success of the Club's support for the Lincoln/Reagan Dinner, an annual fundraiser by the Galveston County Republican Party.

Significantly, CCRW raised \$30,000 on the combined live and silent auctions, double the amount raised last year. In addition, two \$1500 scholarships were awarded.

Here are some of the people who worked for months to support the event and who gave up sleep as it approached followed by collages from the CCRW newsletter. Congratulations.

Della Brown, CCRW, was event chair.

Roxann Lewis, CCRW, was chair of the Silent Auction Committee.

Laura Gappa, CCRW, was Hospitality Committee Chair.

In addition, the Galveston County Republican Party awarded *Roxann Lewis*, President of CCRW, the Galveston County Republican Party "Long Haul Award for Volunteering."

Recognizing Merit

We know how tough it is to make additional time for meetings and special events when time is already at a premium.

That's why we created these "Certificates of Recognition" to recognize extra efforts made by different clubs to participate in GHCFRW activities.

Most important, though, remember that GHCFRW belongs to every member of every club. We exist to benefit you and we welcome any level of participation, great or small.

Origins of Important Memorial Day Symbol

The following is reprinted from the Braes Republican Women's Newsletter. We felt the information was valuable enough to share with a wider audience. Our thanks to Milinda Morris for reminding us of the origins of this important symbol of remembrance and for introducing us to the people responsible for it. The Editor

Milinda Morris

Airforce veteran and retired obstetrician-gynecologist Milinda Morris organized an honor guard representing five services for a Memorial Day ceremony at the most recent meeting of the Greater Houston Council of Federated Republican Women.

Morris is a member of the Republican Women's Club of Katy and the organizer of the GOTV (Get Out the Vote) rally scheduled for August 23rd.

The Honor Guard were members of the American Legion Post 164.

Milinda also gave a moving history of why poppies are associated with Memorial Day here and on Remembrance Day in the United Kingdom, Canada, France, Belgium, Australia and New Zealand.

* * * * *

Lieutenant-Colonel John McCrae was a Canadian physician and soldier during the Second Battle of Ypres fought in Belgium in late spring 1915. In that battle a horrifying 87,000 Allied soldiers were killed.

Among the dead was his close friend, Lieutenant Alexis Hannum Helmer, age 23. Of necessity, the fallen soldiers were buried in the war-torn fields of Belgium. Those bleak fields were covered with poppies, technically a weed, which grew in profusion over the graves of the dead.

After presiding over the service for his young friend, McCrae was inspired to write "In Flanders Fields."

McCrae is pictured on the next page. He died at 45 of pneumonia on January 28, 1918 while on active duty in France.

In Flanders Fields

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie,
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

The poem was published in Britain in 1915 and was instantly embraced by the British public who used the poppy and the poem in a variety of ways, including thousands upon thousands of church and memorial services.

At about the same time, a University of Georgia Professor Moina Michael, read the poem and was so moved she vowed to always wear the poppy. She began a lobbying campaign for the poppy to be the acknowledged symbol of remembrance. In 1920, she convinced the Georgia Chapter of the America Legion followed soon after by the American Legion. On September 27, 1920 the poppy became the U.S. national emblem of remembrance.
