Mission Statement

The mission of the Greater Houston Council of Federated Republican Women is to promote political education in order to increase the effectiveness of Republican Women in the cause of good government. In addition, the Council strives to coordinate activities of the various clubs to achieve the maximum efforts of Republican Women throughout the region to elect Republican candidates.

What a tumultuous time in which we now live. The challenge to every Republican is to keep the fight going. We do not want to lose our State and our Republic to the socialist thinkers and foreign powers, who are racing to control every aspect of our lives.

The only way we can win the fight now is to keep the 2022 election outcome in the red category. We must fight to keep our elections honest, fight to get our side to the polls to vote, fight to keep our schools safe for our children and fight to keep our family values, religious freedom, and our constitutional rights. These seem like daunting tasks that would have been unthinkable not so long ago.

Now is our time to keep the Republican momentum going through voter education and engagement. Greater Houston Council FRW is happy to provide you with this great tool in our second issue of the GHC Voter's Guide. In it you will find information on every candidate from the top to the bottom of the ballot, from the 13 counties in the greater Houston area. Please share the information in this guide with family and friends and make sure they all get out and vote for these candidates. No one will have an excuse of not knowing all the candidates to vote for once they see this voter's guide! You will also find the voter's guide on the Greater Houston Council FRW website at www.ghcfrwpac.org.

Thank you to our GOTV Chair Dr. Milinda Morris for creating the 2022 Voter's Guide and to the GHC committee members who helped her. Thank you to the GHC Board for their support.

It's up to us to get the word out to get our Republican candidates elected. It is imperative that our friends, family, and colleagues know to vote for every Republican candidate down the ballot. All politics is local, so we must stop the democrat control in our school districts, city councils, county commissioners and judges as well. Don't leave a name blank if you don't know a candidate, because that blank spot is a vote for the other side.

It is our time to WIN IT ALL! Republican women in the greater Houston area have been fighting for 60 years. No matter how bad the turmoil the socialists are creating seems, don't give up the fight because that's what they want you to do.

God Bless you, our beloved Texas, and our United States of America!

Let's Get to Work!

Tina Gibson,

2022 President, Greater Houston Council of Federated Republican Women

Fellow Republicans, the 2020 elections produced consequences. Our Country and Texas are now seeing the direct results of that election with the invasion of our Texas border, destruction of our economy, rising criminal behavior in our cities, corrupt leadership, incompetent judicial management, increasing overdose deaths from drug use, inflation, poverty, food scarcity, skyrocketing energy prices, loss of integrity and standards in our educational system, corruption of our medical care, and destruction of our Judeo-Christian values. There are no coincidences and great Nations are not established and maintained by chance.

Are Texans going to sit back and witness the destruction of our 235-year-old Republic? I say NO! “We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America”. Too many Americans have fought and died to maintain these ideals and freedoms set forth in the Constitution of the United States of America. I declare that Texas Republicans can change this course and will not allow our Republic to be relinquished to globalist ideals. Texas Republicans will stand strong. Texas Republicans will protect our children, our homes, our neighborhoods, and our sacred values. Texas Republicans will exercise their right to vote and vote for ALL Republicans on the ballot. Please join me in this fight to maintain our Republic and **vote** in the November 2022 Election.

I am very proud of our Republican Grand Slam 2022 Voter’s Guide, and I hope you find it useful, inspiring, and will share it with your family and friends. I want to thank President Tina Gibson and the Board Members of the Greater Houston Council of Federated Republican Women for the honor of chairing our GOTV Event and for providing me with their invaluable support and guidance.

God Bless you all, God Bless Texas, and God Bless America!

Dr. Milinda Morris
Chairman- GOTV Event 2022
Greater Houston Council-Federated Republican Women

Welcome to the Greater Houston Council of Federated Republican Women’s 2022 Grand Slam event! What an amazing opportunity to learn from Republican candidates from 15 Counties. I hope you take the time to utilize this 2022 Voter’s Guide. It provides the information necessary for you to vote with confidence and is a valuable resource of candidate data to share with other voters.

Early voting begins in eleven weeks and money is pouring into Texas for Democrat candidates and Democrat voter registration efforts. An informed, engaged electorate has never been more important. There is no time for anything other than uniting and achieving Republican victories up and down the ballot this fall. The consequences of losing in November are not acceptable. If we aren’t the party in power, we won’t accomplish anything, and we could lose everything.

It is up to all of us to protect Texas, our country, and our conservative values. The expression, “As Texas goes, so goes the nation” is not just an expression. America is counting on Texas Republicans, and we must deliver.

Republican women are leading the way in the fight for our great state as we show Democrats what strong Texans look like and how we fight to defend our freedoms. Whether you block walk, phone bank, write postcards, or make financial donations to these candidates, every contribution is valuable and makes a difference.

Thank you for taking time out of your busy schedule to be here today. I am honored to serve beside you in the fight to keep Texas a conservative stronghold and the best place in the country to live, work, and raise a family.

Building Strong Leaders for Texas!

Kit Whitehead

President
Texas Federation of Republican Women

REPUBLICAN GRAND SLAM THEME SONG

“TAKE US OUT TO THE POLLS”

TO THE TUNE OF “Take Me Out to The Ballpark”

Written by: Dr. Milinda Morris

We can't wait for Election Day,
Take us out to the polls.
Give us a slate of great candidates,
And we will vote all the way down the list...
We must ROOT- ROOT-ROOT for Republicans,
If they don't win, then it's RIGGED.
So, it's 1-2-3, DEMS ARE OUT,
On Election Day!
