

Welcome to Greater Houston Council
and Texas Federation of Republican Women
Nuts 'N Bolts Seminar 2022

Welcome to the Greater Houston Council of Federated Republican Women Nuts 'N Bolts Seminar! The GHC Board is excited to have the TFRW Board presenting at the seminar today.

We will open the day by honoring our 2022 TFRW Club Presidents from around the greater Houston area.

As part of the formal leadership training today you will hear from many of our very dedicated and talented Republican Women from around the greater Houston area, the TFRW Executive Board, and also our TFRW President Kit Whitehill. A great lunch will also be served during our power lunch strategy and Q & A session.

Thank you to our speakers for the day: TFRW President Kit Whitehill, Alice Melancon, Pearl Maggio, Jennifer Knesek, Dana Myers, Carla Birk and Corrine Miklosh. Thank you to our Hospitality Chairs Edie Holland and Roxann Lewis, and to our clubs who have served a wonderful breakfast. Thank you to our event chairs Alice Melancon and Pearl Maggio for planning our seminar, and also the members of the Nuts 'N Bolts committee, Micheline Hutson and Barbara Tague.

We hope you will gain important information from our presentations today to share with your club members who couldn't be here. You will now have the tools to train your club members at your own Nuts 'N Bolts seminar! Get ready to Power Up 2022!

Let's Get to Work!
