# Mission Statement

The mission of the Greater Houston Council of Federated Republican Women is to promote political education in order to increase the effectiveness of Republican Women in the cause of good government. In addition, the Council strives to coordinate activities of the various clubs to achieve the maximum efforts of Republican Women throughout the region to elect Republican candidates.

---

We are experiencing potentially life changing times for our country and our families. The inept leadership from the federal government has been almost unbelievable. The challenge for every Republican is to keep our family and friends informed and make sure they go vote. Voting is the only way of standing in the way of a true socialist government.

Now is our time to keep the Republican momentum going through voter education and engagement. Greater Houston Council is happy to provide you with this great tool in our third issue of the 2024 GHC Voter's Guide. In it you will find information on every candidate from the top to the bottom of the ballot, from the 13 counties in the Greater Houston area. Please share the information in this guide with family, friends, neighbors and fellow volunteers working in your county party headquarters, and make sure they all get out and vote for these candidates. No one will have an excuse of not knowing all the candidates to vote for once they see this voter's guide! You will also find the 2024 Voter's guide on the Greater Houston Council website at [www.ghcfrwpac.org](http://www.ghcfrwpac.org).

Thank you to our GOTV Chair Elizabeth Walker for creating the 2024 Voter's Guide and to the GHC committee members who helped her. Thank you to the GHC Board for their support.

All Republicans must get out and vote. It is imperative that our friends, family, neighbors and colleagues know to vote for every Republican candidate down the ballot. ***Don't leave a name blank if you don't know a candidate, because that undervote is a vote for the other side.***

We must WIN IT ALL! Republican women in the Greater Houston Area have been fighting for conservative values for 62 years and the war will never be over if we want to keep our country free. We must remind our children and grandchildren what it means to live in a free nation. No matter how unbearable is the turmoil the socialists are creating, we can't give up the fight. Because that's what they want us to do.

God Bless you, our beloved Texas, and our United States of America!

Let's WIN!

Fellow Conservative Texans, the 2024 election is upon us, and the eyes of the nation are on our great state. To keep Texas red, we must stand united and ensure that every Republican voter turns out to the polls. Our values, our way of life, and the future of our state depend on it. The stakes couldn't be higher, and it's up to us to lead the charge in defending the principles that have made Texas a stronghold of liberty.

We cannot go another 4 years under an Administration with a hidden agenda to take control, taking away are rights and quality of life that our Founding Father's created. We must remind our friends to vote for a strong Economy, Close the Border, Less Taxation, Pro-Life.

We know that the path to victory in 2024 runs through Texas, and it's crucial that we do everything in our power to secure a Republican win. Our opponents are working tirelessly to flip our state, but we won't let that happen. How can you help? Whether it's volunteering at campaign events, reaching out to your neighbors, or spreading the word on social media, every effort counts. Your dedication and hard work will be the key to our success.

Let's show the country that Texas is not only a battleground but a stronghold of Republican values. We've done it before, and we can do it again. Together, we can keep Texas red and ensure that our voices are heard in Washington. Let's make 2024 a year of Republican victory, for Texas, and for America!

I would like to Thank Tina Gibson and the GHCFRW ladies for giving me the opportunity to create the GOTV rally and Voter Guide for the people to use and share for winning at the Polls.

Elizabeth Walker  
GOTV Rally Chair

Welcome to the Greater Houston Council of Federated Republican Women's 2024 GOTV Rally. Please take the time to utilize this 2024 Voter's Guide. It provides the information necessary for you to vote with confidence and is a valuable resource of candidate data to share with other voters.

Early voting is right around the corner and money is pouring into Texas for Democrat candidates and Democrat voter registration efforts. An informed, engaged electorate has never been more important. Now is the time to unite and achieve Republican victories up and down the ballot this fall.

We cannot afford to lose this election. Our nation has suffered too many consequences over the past 3 and half years. If we don't win, we will lose everything. It is up to all of us to protect Texas, our country, and our conservative values. The expression, "As Texas goes, so goes the nation" is not just an expression. America is counting on Texas Republicans, and we must deliver.

Republican women are leading the way in the fight for our great state as we prove what strong Texans look like and how we fight to defend our freedoms. Whether you phone bank, text, door knock, write postcards, or make financial donations to Republican candidates, every contribution is valuable and makes a difference. Volunteer to work elections as a clerk, judge, or poll watcher. We must ensure Election Integrity.

Thank you for taking time out of your busy schedule to make a difference. I am honored to serve beside you in the fight to keep Texas a conservative stronghold and the best place in the country to live, work, and raise a family. God Bless You and God Bless Texas.
